

MINNESOTA  
**CONSTRUCTION  
TEACHERS**  
CONFERENCE

**September 30 – October 1, 2021**

All Minnesota construction trades instructors at either middle school, high school, technical colleges or four-year college level are invited to attend!

**CONFERENCE OBJECTIVES:**

- To provide a professional development opportunity for Minnesota construction trades instructors wherein they can earn necessary CEUs and maintain current knowledge of the industry.
- To strengthen relationships between construction trades instructors and provide an opportunity for them to share best practices and tips for effective teaching.
- To better connect Minnesota's construction trades instructors and their students with industry professionals so that all can gain a realistic sense of the state of the industry and what a career in the trades involves.
